Dear Keith:

Thank you for the opportunity to participate in *Our Vietnam Generation*, the upcoming one-hour special to chronicle the journey of Michigan's Vietnam Veterans and to recognize their role and contributions in our nation's history.

This is important work and we are excited that you have contacted us to invite Children's Hospital of Michigan patients and their families to be a part of this mission.

We look forward to working with you and to inviting the families we serve to participate by creating a book of goodwill messages and drawings to send to hospitalized children in Vietnam.

Sincerely,

Lori Mouton  
Vice President  
Marketing & Community Relations.
