Dear Keith,

The Michigan Patriot Guard LLC is honored to support your new project relating to the Vietnam War and those men and women that served in our military during that era. The Vietnam War was American's most unpopular war and the men and women that served during this war never received the recognition they deserved. This story of those who gave so much and asked so little needs to be told. As the saying goes, "All Gave Some, Some Gave All."

The Michigan Patriot Guard LLC is proud to be part of a project that will honor those heroes that went when their country called. I believe that your project will help with the healing process for many Michigan Vietnam Veterans.

The MI PGR LLC is looking forward to participating in this very worthwhile project. Feel free to call me if there is anything we can do.

Jim Kehres  
President
