Dear Keith,

Thank You for inviting Rolling Thunder®Inc. Chapter 5 Michigan to have the privilege in supporting you in your latest project "Our Vietnam Generation". Rolling Thunder®Inc. was founded in 1987 by two Vietnam Veterans who met to discuss their personal concerns about the prisoners of war (POW) and missing in action (MIA) from the Vietnam War and decided to do something about. The two Vietnam Veterans formed Rolling Thunder®Inc. that now has over 88 chapters and more then 10,000 members across the country and abroad.

Since 1988 Rolling Thunder®Inc. has been meeting in Washington D.C. during Memorial weekend reaching out to fellow Veterans, their families and Veteran advocates unifying and forming a march/demonstration in the Nations Capital. Over the years the number of participants/spectators in the Memorial Day weekend "Ride for Freedom" has grown from 2,500 to an estimated 900,000. Even the name Rolling Thunder®Inc. was taken from a 1965 bombing campaign against North Vietnam called "Operation Rolling Thunder".

Rolling Thunder®Inc. Chapter 5 Michigan has many members that honorably served their country during the Vietnam War, and think of this as an Honor to help you on your mission any way they can to help tell their stories. These members along with so many other Vietnam Veterans have personally felt the attacks against them as they returned home from battle.

This was a sad day in American history when so many of our Heroes came home to this attack and they vowed that it wasn't going to happen again if they had anything thing to do with it. Since that time the Vietnam Veterans have formed many organizations to help our "New Generation of Heroes" get all the respect they deserve when they come home.

So Keith, please count us in.
