Dear Keith,

On behalf of everyone here at WDIV-TV, I wanted to let you know how excited we are to be in discussions with you regarding the broadcast of your upcoming one-hour special "Michigan: Our Vietnam Generation." Having worked with you and your team on the incredibly successful special "Detroit: Our Greatest Generation," I have witnessed first-hand your dedication and commitment to your documentary projects and your exceptional level of production quality.

We believe that this documentary will have wide audience appeal. We share your vision that the program is an important vehicle to showcase the contribution that Michigan's Vietnam veterans made to our community and our country.

All of us at WDIV look forward to working with you and your team on this extraordinarily worthwhile project.

Sincerely,
